Well Robert J.D. called me to his new cell to show me his law suit papers today 1-24-07. They are civil suit against the Sheriff's dept. He asked me did you send off those papers? I told him we sent off the papers the day Butch left. Did he J.D. give you a paper with all the dates and events certain things took place in here? If he didn't he said that he did. He told me Lt. was opening his mail and he caught her, she was nervous and gave him all 3 letters from the courts. 1 of them was to inform them that they had 40 days to reply to the accusations that are being made. I read both of them, he has the papers that they need to respond to. The motion has been granted, he has grounds to sue. Darryl has been in the cell with us since the day you left, we straight chillin. Hey Man this is under control brother. When ever the Lawyers comes tell them to call to the back cause Sorrell Jackson has something to say. These people don't know what's about to happen to them. Keep me informed Robert, we all on the same page. Don't forget about the spoiled food served on 1-21-07

its A rumor going Around that I did something
inside my cell where i sleep at in A-3 I have
been House in that cell block since About 10/19/06
I Know for A fact that the joint where the Blocks join together
At the Blocks was laid too close together for them to put Any
mortar between them And they know that And Another thing
they didn't try to put Any mortar in it And they had same
type of mortar mixture on the table outside because the
crack is to small this is how small the crack is
